LEARN ABOUT OUR COMMUNITY ADVISORY COMMITTEE!

The Southwest Detroit Community Justice Center Community Court Program works with the 36th District Court and persons accused of committing misdemeanor crimes in Southwest Detroit. Eligible participants may be able to complete their court sentence by giving back to the community through visible community restitution- such as working on street clean-up crews, boarding vacant homes, working at food pantries, etc.

The mission of the Southwest Detroit Community Justice Center is to increase public trust in the justice system, assist in the reduction of crime, improve the quality of life and meet the needs of the community.
